

🔥 WHY BOOK SAM'S STORY? 🔥

A Talk That Connects, Challenges, and Changes Lives

Are you looking for a speaker who does more than just inspire?

Someone who's lived it, survived it, and now leads others out of it?

Sam's Story: From Surviving to Leading

This isn't your average motivational talk.

It's raw, real, and deeply relatable — built around lived experience of:

- 🚫 School exclusion
- 🔒 Prison and secure units
- 💔 Grief and trauma

"Sam's story hit our students harder than anything we've delivered. It's not just a talk — it's a reset button."

– Assistant Head, Aurora Woodlands
